

DERWENT WAY TRANSFER STATION

Site Access Route Plan

Operating Hours

- Facility is open from 7am to 4:30pm, Monday – Saturday

Site Address

- 404A Salter Street, New Westminster BC

Truck Access and Route Restrictions

- All truck traffic is required to access the facility via Salter Street from northbound Derwent Way.
- **No Left Turns** are permitted for southbound traffic from Derwent Way – any southbound traffic MUST proceed south to roundabout at Belgrave Way.
- **No Stopping** is permitted along Derwent Way should trains be crossing at Salter Street. Trucks are required to proceed back to Hwy 91A and re-route via Annacis to Northbound Derwent once rail traffic has cleared.

Additional Trucking Route Notes

- Absolutely no trucks are permitted to use non-designated truck routes through Queensborough. All truck traffic MUST utilize existing truck routes. Any trucks that are reported to be travelling on non designated truck routes to access or leave our facility may be banned from future access.
- Please view attached Traffic Route Plan Map for further detail
