Re: 21832 South Westminster Shore and 21840 South Westminster Shore

This is in response to your inquiry on the above noted properties. As confirmed by a telephone conversation call to you, this response only covers 2 lots and the other 4 lots that were submitted in your request have no civic addresses. Further to your request for a comfort letter regarding this file, we write to advise that in the City of Surrey, comfort letters are prepared by clerical staff who complete a summary/overview of the file. The following does not include a site visit.

- 1. The properties are currently vacant and located in a "Light Impact Industrial 1 Zone (IL-1)". Enclosed is a copy of that portion of our Zoning By-law which stipulates the permitted uses and regulations in that zone. Please note that the words in *italics* in Section B Permitted Uses, are defined in the Zoning By-law, Part 1 Definitions. Due to the volume, we have not provided you with a copy of all the definitions in the By-law. You may wish to review the Surrey Zoning By-law at the Planning & Development Department or online at www.surrey.ca.
- 2. With regard to your inquiry regarding environmental concerns, Engineering File Registry has searched the files for the above-noted properties for the period of 1985 to the present. There were no file records found. We suggest the request also be referred to Ministry of Environment for any information they may have at 604-582-5200.

We do not have access to Fire Department files regarding environmental concerns. If you require this information, please call the Fire Department at 604-543-6700.

The foregoing information is given for your convenience only and it should be clearly understood that you must satisfy yourself as to whether the premises and the existing or proposed use thereof is or would be in conformity with all applicable by-laws and regulations of the City. The City of Surrey does not guarantee or warrant the accuracy or completeness of the information given or its fitness for the purposes intended by the requester.
